Your New Neighbourhood Awaits

West22 towers above the epicentre of Halifax's quintessential suburban West End neighbourhood. The building embraces contemporary Nordic-inspired architecture, along with modern amenities and finishes, to create a relaxed atmosphere with an abundance of natural light in every corner. Stunning views of the city elevate everyday living, while the surrounding community offers limitless options for entertainment and activities.

Thoughtfully-appointed suites have been designed to fit your sophisticated, dynamic lifestyle. Spacious floor plans and private outdoor terraces add to the feeling of home. The top three floors of West22 are dedicated to six prestigious penthouses, making for a distinct feature of this first-class residence.

Living in the West End, you're in the midst of everything the city has to explore. Dining, shopping, and entertainment districts are only minutes away, as well as the famed Ashburn Golf Course and breathtaking ocean views from the Armdale Yacht Club.
